

AMERICAN LEGION RIDERS ALASKA

Meeting Minutes 1st Annual ALRA ROMP June 14, 2013

Meeting held 14 June, 2013 during picnic lunch in Delta Junction during first days ride and bug run.

Bobby kicked off meeting getting everyone's attention to take care of a few items of ALRA business.

Don Ridl made a motion to donate \$500.00 from the ALRA account to the Legacy Run. Seconded By Jim Petito. Motion Passed.

Bobby mentioned the efforts of Todd Hardwick and other members of Chapter 35 in promoting a new Chapter in the Anchorage area. Perhaps once they are better organized and they request and receive permission from a Post we can get several members from different Chapters to ride there for the installation.

Marilyn Sutherland requires that membership info from some of the Chapters while she has the some checks for membership she is reluctant to deposit them without the associated paperwork.

Lisa Williamson updated the status of the development of the new ALRA website. She says it is about three weeks from completion and will have links to the Department and National websites for the rest of The American Legion Family.

A discussion of which patches each member should purchase to wear if they choose to wear one at all. The conscientious is that we should purchase them directly from Emblem Sales. Additional patches identifying state, city or Chapter should be at the member's option. We may need to write and vote on an amendment to the ALRA By-Laws to reflect this. Bobby will write a proposal that can be discussed and voted on at the Fall Conference.

Meeting ended and picnic continued.
